

IVONA MOJSOVSKA

SUMMARY

I am excited to introduce myself as a passionate and skilled entry-level front-end developer with a strong background in JavaScript, React, and Next.js. As a recent graduate with a degree in Software engineering, I have developed a solid foundation in front-end development through coursework and personal projects.

EXPERIENCE

Junior Front End Developer

CodeArt IT Company | Skopje, North Macedonia | September 2021 - June 2022

- Implemented websites and landing pages from concept through deployment.
- Assessed UX and UI designs for technical feasibility.
- Collaborated with product team members to implement new feature developments.
- DOM manipulation
- Building responsive web design using Grid and Flexbox.

Receivable Clerk

Globe Logistics Inc | Carlstadt, NJ | January 2019 - March 2020

- Updating and maintaining records of expenditures.
- Ensuring that all payments are made in accordance with company policy.
- Reconciling cash receipts and deposits.
